## SECURE YOUR HOME FROM YOUR PHONE WHEREVER YOU ARE.

- Set or unset your alarm through our Smartphone App. It can also send you images of your home should the alarm be activated.
- Home safety. Burglars aren't the only hazard. Smoke, gas, CO and flood detectors protect your home 24 hours a day.
- Pet friendly. The alarm can be set whilst your pets are in the home.
- Completely Wireless. For a shorter, faster, no fuss installation.
